

**Math & Science Collaborative
POINT PERSON APPOINTMENT FORM**

Fax back to: 412-394-4599
Attention Barbara Ash

Use this form to appoint representatives of your school district to the Math & Science Collaborative's communication network. If you have any questions please contact us at 412-394-4600 or barbara.ash@aiu3.net.

Point Person: Each district should have one appointee who is its point person to the Collaborative. The Collaborative will periodically use the point person to help disseminate information about grants, workshops, or other opportunities for educators and students

School District: _____ **Date:** _____

Point Person: _____ **Title:** _____

Email: _____ **Phone:** _____

Building: _____

Network Connections: Please select people who may attend the Network Connections, and will consistently, share resources and opportunities with stakeholders in your school district. You may appoint up to 7 teachers (ideally math and science at elementary, middle and high school levels, and a technology coordinator, and guidance counselor) and 2 administrators (ideally a principal and someone with responsibility for curriculum selection or professional development).
