

Career Connections

Career Connections offers students in grades 9-12 the opportunity to explore a career in programs that consist of 1-day to 4-day learning experiences. Students meet and work with professionals who share their experience, expertise, and enthusiasm for what they do for a living. The programs provide a chance for students to make connections with organizations and people who can help them as they pursue their career choices.

Thank you for taking the time to fill out a recommendation on behalf of your student. Your recommendation helps us determine if the student will be responsible in attending and participating in the program.
